Dear Parents/Carers,

Horse Riding Lessons

As you are aware, The Luccombe Hub is lucky to be sited next door to an independent riding centre called The Luccombe Riding Centre, they are able to offer lessons and opportunities for our learners to experience what it is like to own a pony; activities include:

- A session with experienced riding teachers
- Grooming and taking care of horses
- Saddlery

Your child, as part of their learning journey will take part in these activities and we ask all parents to complete the attached permission slip and fill in The Luccombe Riding Centres new Rider Registration form.

Any questions or concerns, please do let me know.

Kind regards

**Henri Monier-Williams
