The purpose of this policy is to provide guidance on how Luccombe Hub will deliver and promote Christian values and acceptance of all religions to its learners.

This policy applies to all school staff, students, volunteers, parents and carers.

Luccombe is committed to promoting Christian values such as love, compassion, forgiveness, and integrity while also promoting acceptance of all religions. We believe that these values are essential for our learners to become responsible, respectful, and compassionate individuals who can embrace diversity and demonstrate empathy and understanding towards others '*regardless of their age gender, race, religion or belief, disability, gender reassignment, marriage or civil partnership, pregnancy or maternity, or sexual orientation',* (Equality Act 2010)

Christian values, acceptance and promotion of all religions at Luccombe Hub is delivered in the following way:

Curriculum Integration: Luccombe Hub integrates Christian values into the curriculum by incorporating religious education into various subjects through our SMSC (Spiritual, Moral, Social and Cultural) programme, PSHCE, English, Life Skills, Cooking, Art and by promoting British Values. At the same time, we will also ensure that our curriculum respects and acknowledges the diversity of all religious beliefs and practices by acknowledging all religious festivals in our cross curricular programmes.

1. **Religious Studies**: The Centre incorporates SMSC throughout their curriculum to provide Learners with an opportunity to learn about Spiritual values and serves as a platform to promote understanding and acceptance of other religious beliefs.
2. **Interfaith Dialogue**: Luccombe Hub will facilitate inter faith dialogue between students and staff of different religions to promote mutual understanding and respect.

3. **Religious Literacy**: The school will promote religious literacy by teaching students about different religious traditions and practices. This will enable students to appreciate the diversity of religious beliefs and practices.
4. **Role Modelling**: All staff at Luccombe Hub are expected to model Christian values and acceptance of all religions in their daily interactions with students, parents, and colleagues.

Positive Reinforcement: The Centre uses positive reinforcement to encourage learners to exhibit Christian values such as giving praise and recognition for acts of kindness and compassion towards others regardless of their faith.

1. **Student Leadership Opportunities**: The school provides leadership opportunities for learners to develop their leadership skills while promoting Christian values and acceptance of all religions.
2. **Parent Engagement**: The school engages parents in promoting Christian values and acceptance of all religions by providing opportunities for them to volunteer in service projects, attending charitable events and participate in interfaith dialogues.
3. **Community Outreach**: Luccombe engages with the local community to promote Christian values and acceptance of all religions by partnering with churches, mosques, synagogues, temples, and other organizations to support interfaith initiatives and community service projects.

Conclusion: Luccombe Hub is committed to delivering and promoting Christian values and acceptance of all religions to our learners. We believe that these values help our learners to become responsible, respectful, and compassionate individuals who can appreciate diversity and demonstrate empathy towards others regardless of their faith. This policy will be reviewed annually to ensure that it remains relevant and effective.
